

Greetings

There are many Bible Reading Programs, probably the best known is Scripture Union. One program covers the whole Bible in one year, with an Old Testament, a New Testament, a Psalm and a Proverb for each day. To help you with your daily Bible reading and to have the whole congregation reading the same passage each day, and starting with just the New Testament and Psalms section. [After a request to include the Old Testament, we can now read the whole Bible each year. You may choose to continue reading the New Testament and Psalm portions.](#) The list below identifies the scheduled passage for each day of October.

You are invited to join us all in the Bible reading program as we seek to know more of God our Father, Jesus our Saviour and God's Holy Spirit.

You are encouraged to read God's Word daily as it would be a distinct advantage to you and draw you closer to the only Lord and God .

May God guide and bless you as we read God's Word together.
